Who do we serve?

Project Wiggles and Giggles Home Visiting serves pregnant women and children up to five years old in the Jefferson County area.

Our services for your family include:

Personal Visits

Our parent educators will meet with you twice a month to support you in your parenting role and provide information on child development.

Group connections

Opportunity to meet other families in the program at places within the community.

Resource Network

Connection to resources in the community based on the interests and needs of your family.

Where?

We will come to your home!

We are here to help you learn more about parenting, support your child's development, and help with the challenges of parenting!

We look forward to partnering with you!
